### **ACTIVITY FOR THE MONTH OF FEBRUARY 2025**

#### **PRIMARY & HIGH SCHOOL SECTION**

The month of February was filled with enthusiasm and meaningful activities. As we approached the final phase of the academic year, this month marked significant milestones, including examinations, prize distribution ceremonies and preparations for the upcoming sessions.

#### **10/02/2025**

The Pariksha Pe Charcha Programme was telecasted live in the school auditorium at 11 a.m. High school students gathered to witness this enlightening event. Prime Minister Sree.Narendra Modi engaged with the students who are preparing for their Board Exams sharing valuable tips on managing exam stress and approaching their studies with a positive mindset.

#### **NSD Competitions on 15<sup>th</sup>& 22<sup>nd</sup> February 2025**

Our students from Primary & High school participated in the competitions organized at U.R. Satellite Centre on the occasion of NATIONAL SCIENCE DAY and Master. Chinmay Gowda of class 10<sup>th</sup> std has bagged 2<sup>nd</sup> prize in the test of "Scientific Temper"

#### **18/02/2025**

As a tradition before the Annual Examination Goddess Saraswathi Pooja was performed with devotional faith by His Holiness Swamiji who motivated the students through his benediction. Some of the students shared their experiences of their school life.

Mrs. Manjula.S.A. High School Maths teacher sponsored a special gift to the students who scored centum in Maths in the SSLC Board Examination April 2024

The Programme concluded by offering floral tribute to Goddess Saraswathi and seeking her divine blessings.

#### **ANNUAL PRIZE DISTRIBUTION**

Annual Prize Distribution programmes were held on 19<sup>th</sup>, 20<sup>th</sup> & 21<sup>st</sup> February for classes 1<sup>st</sup> to 7<sup>th</sup> std for which our Alumni Smt. Ashwini Sawanth, Dr. Divyashree and Dr.Shravya Umesh were invited as Chief Guests respectively who gave them a talk about Healthy eating habits, good food and healthy life style.

#### **24/02/2025 :**

IOQM is an Indian Olympiad Qualifier in Mathematics. It is the first level of India's Selection process for IMO ( INTERNATIONAL MATHEMATICAL OLYMPAID )

A Orientation Programme was conducted at WIDIA Poornaprajna for the students of our High school section who were selected through IOQM Qualifier Test. Sri. Rohit Chakratheertha briefed the students about IOQM and its benefits. He also mentioned

about the training session to be conducted during summer vacation for boosting the mathematical skills and deeper understanding of complex mathematical concepts.

**25/02/2025 TO 04/03/2025:**

State Level Preparatory Examination for 10<sup>th</sup> std students began on 25<sup>th</sup> Feb and concluded on 4<sup>th</sup> March 2025 to test the readiness for the upcoming board exams.

**28/02/2025**

The National Science Day was celebrated in school on Feb 28<sup>th</sup> morning. The program was presided over by our school Principal, Vice- Principal and a student Pranav Praveen of class 7 dressed as Vikram Sarabhai, a great Scientist. . The theme for this year's science day is "Empowering Indian Youth for Global Leadership in Science & Innovation for Viksit Bharat".

The program was radiant with science theme based dances and songs from primary, a skit on Sir C. V Raman by class 7 and detailed speeches with collage on various topics like ISRO, air show and this year's theme by students. The Science exhibition and quiz prizes were also distributed by the dignitaries.

The Annual Art & Craft Exhibition –“KALAKRITI’ and Electronics Exhibition conducted on 28<sup>th</sup> Feb 2025. The exhibition was inaugurated by Mrs. Shole Madhusudan , Director of Ignite Minds who was awestruck by the Exhibits. The highlight of the exhibition was ‘MONOCHROME PAINTING’ by the student’s remarkable ability to create depth and emotion using a single colour palette. Each painting told a unique story with intricate details and expressing strokes capturing the imagination of visitors.

This event encouraged students to think innovatively develop problem solving skills and showcase their technical expertise.
