18/02/2025 : Annual Day

Our Annual Day celebration was a success, marking a mile stone as it was held in the auditorium for the first time. The event was a thrilling experience for student, staff and parents alike. The inspiring address by Chief Guest Dr. Sampath, a renowned Psychiatrist, was both educative and motivating. The benedictory by our revered Swamiji offered a profound insight into the spiritual domain.

The cultural programme was truly mesmerizing featuring memorable performances such as the chanting of Vishnu Sahasranamam and Bhagavad Gita, Abhinaya Gita and a thought - provoking skit and dance that highlighted the importance of values in everyday life.
