**20/01/2025 : Primary School Science Exhibition ( Classes : 1to 4 )**

**21/01/2025 : Primary School section Science Exhibition ( Classes : 5to 7)**

The Primary School Science Exhibition for the year 2024 -25 was held on January 20<sup>th</sup> and 21<sup>st</sup> 2025. Students of classes 1 to 7 exhibited various models. The event was presided over by Mrs. Kalpashree. G.C., a post graduate trained teacher in Physics with 4 + years of experience in the field. She expressed her surprise and was amazed to see students giving detailed explanations with good comprehensive and deep knowledge in the subject.

Exhibits of class 5 to 7 were demonstrated to Mr. Chandra Shekar who is currently associated with Indian Public School , Jeevanbhima Nagar. He is a veteran having 25 + years of experience in this field and has also published many articles of research in the field of magnetism of earth. The exhibition was visited by all parents in the afternoon session and it was well received by all.

## **21/01/2025: Excursion – students of X**

Exposure to new situations, topics and teaching method automatically stimulates interest and excites the brain. School trip are a potent tool to boost motivation and broadening the horizons.

Student of std 10 were taken to 'PLAY ARENA' on 21<sup>st</sup> of January 2025, the ultimate destination for sports and entertainment. A dive into adventure with traditional sports and many other thinking activities like paint ball, go -karting, climbing , laser tag, & bowling etc.,

It was a perfect place for endless recreational activities. As a result student's enjoyment was boundless and it was a great chance to experience new avenues.

## **24/01/2025: Movie : Tanuja**

"TANUJA" a Kannada Film released on 2023 directed by Shree. Harish M.D. Halli was shown in auditorium for our students of classes 5to 10. The movie is based on the true story of a young girl named Tanuja, who overcame significant challenges during the COVID - 19 Pandemic period to travel 400 km and appear for NEET Examination. The film portrays her determination.

The Kannada Movie "Tanuja" offers valuable lessons and inspiration to students in the following ways :-

- Overcoming adversities
- Value of education
- Dream big and hard work
- Time Management and discipline

Students were motivated by the movie and they thoroughly enjoyed it.

## **24/01/2025 to 30/01/2025 : Formative Assessment - 4**

Formative Assessment -4 began on 24<sup>th</sup> January to evaluate students' learning progress and provide feedback for improvement.

## **25/01/2025: National Voters' Day**

Nothing like Voting. I vote for to sure

The vibrant spirit of democracy resonated throughout in our school. As students and faculty came together to commemorate the 15<sup>th</sup> National Voters' Day.

The National Voters' Day is celebrated to encourage the youth to participate in the Voting (Electoral Process) In order to empower the younger generation and future voters'. The event witnessed enthusiastic participation of students in Poster Making Competition. The students also gave speech about the significance of voting followed by a dance performance by the students. All the students took an oath to exercise their right to vote.

The hands on approach not only demystified the procedure but also kindled a sense of curiosity and responsibility among the students.

## **26/01/2025: 76<sup>th</sup> Republic Day**

76<sup>th</sup> Republic Day was celebrated our school with patriotism and enthusiasm. The event began with the flag hoisting by our Hon.Secretary Shree S.K.Bhat., followed by National Anthem. The Hon. Secretary and our Principal Smt. Kumuda Abhayankar addressed the gathering emphasizing the importance of the day.

A student of 7<sup>th</sup> std Master.Dhruv. H. delivered a speech on the significance of this year's theme "Swarnim Bharat : Virasat Our Vikas " - Golden India : Heritage and progress inspiring everyone. Teachers and students sang Patriotic songs adding to the festive spirit. The event concluded with the Vote of Thanks by Master. Niketh of 9<sup>th</sup> B leaving everyone filled with pride and unity.

## **31/01/2025 & 01/02/2025: Science Exhibition**

The Science Exhibition was held in the school auditorium aimed to foster scientific curiosity among high school students by demonstrating engaging and interactive experiments. The exhibition provided a platform for students to showcase their innovative projects and learn through hands on activities, such as Elephant tooth paste, - pH - indicators, conservation of natural resources and also models involving sensors such as traffic monitoring system, obstacle avoiding cars etc.,

The exhibition was graced by the presence of Dr. Harshitha .N. MBBS. MS., OBG. Obstetrician and Gynecologist and Laparoscopic surgeon also a alumnus praised the students for their creativity and scientific approach.

The event proved that learning science can be fun, interactive and highly educational.
