Dr. C.K.Manjunath Resource Person of U.S.A.M.E.C., had an interactive session with the Maths and Science Teachers. He gave a presentation with his text book created for 8th std Maths and explained ways to create interest in subject like Maths. Teachers should try training the children with problem based learning. He also suggested some ideas on how to create interest in learning new topics by correlating it with our day today life. On the same day, he had an interactive session with 10th std students. The session was very informative and educative. Students were made to understand how to learn, retain and apply the subjects. He encouraged students to develop analytical skills rather than rote learning.

19 & 20/07/2024

Coaching classes for IOQM training was organized at Widia Poornaprajna School. Students of 10th std had taken part. Mr. Rohit Chakratheertha did a marathon of many problems from Geometry, Number Theory, Algebra, Permutation and Combination.

This extra coaching surely has enhanced the analytical skills, reasoning skills, computation skills of students as well as teachers. Teachers learnt extra skills to teach innovative ideas to students.

Rear Admiral Shree. Sampath Pillai shared a story "3000 Miles to Freedom" a gripping tale of courage, resilience and determination of Shree. M.M.Pillai. The journey spans 3000 miles, during which they faced unpredictable weather, treacherous water and formidable obstacles. This story is not just an account of a physical journey but also an inspiration to our student's community proving that the extraordinary efforts can be achieved through bravery, team work and an indomitable will.

Smt. Sumita Pillai, a renowned expert in special education, addressed a gathering of teachers, providing invaluable insights into effective methods for handling special children. It was a comprehensive and enlightening session that provided teachers with practical and compassionate approach to handling children with special needs.
