

POORNAPRAJNA EDUCATION CENTRE, INDIRANAGAR, BANGALORE 75

ACTIVITY FOR THE MONTH OF OCTOBER 2024

PRIMARY & HIGH SCHOOL SECTION

October's unique blend of festivals, nature's beauty and focus on core values makes it a memorable and impactful month bringing a deeper understanding of Indian culture, history and the seasonal change.

02/10/2024

The school celebrated Gandhi Jayanthi & Lal Bahadur Shastri Jayanthi. The programme commenced with an invocation song, followed by a warm welcome speech. Principal Mrs. Kumuda addressed the gathering, emphasizing the importance of guiding the younger generation as the children are the future. She also spoke about the remarkable deeds of Gandhiji and Shastriji and then the teachers and students took a solemn pledge followed by cultural programme. The school also observed cleanliness drive by the staff and students.

The staff and students also witnessed a Live Telecast of the State Government's Programme in the school auditorium. The day's programme concluded with a vote of thanks by Mrs. Selvi.

09/10/2024

Our school hosted a vibrant Saraswathi Pooja to honour Goddess Saraswathi the deity of wisdom, learning and art. Teachers and students chanted hymns and offered flowers invoking blessings of the Goddess. Hon. Secretary Shree.S.K.Bhat and Hon. Managing Committee Member Shree. Brig.H.B.Hande were also a part of the celebration. The highlight of the event was the distribution of prasadam by Sri Krishnan, M.D., of 'Iyer Idli', an alumnus of the school who instilled a sense of unity and togetherness.

18th& 19th /10/2024

A two day Mathematics workshop was conducted at Poornaprajna Institute of Faculty Improvement, Widia, Bengaluru, featuring three resource persons who shared their expertise on diverse topics.

Mr. Gautam gave a start for the day -1 session with the topic 'Nature of Science and "Scientific thinking"'. He engaged us with hands on experiments using object box. This created curiosity and encourages inquiry based learning.

Mrs. Vidya. B.R. shared effective instructional strategies for creating 'Student- Centre classroom and also guided us in crafting lessons plans.

Mrs. Yamuna Natarajan explained in detail the evolution and Historical development of number system, puzzle solving strategies and recommended you tube channels.

The workshop provided valuable insights and practical approaches for teaching mathematics.

24/10/2024
